ISA Certificate of Membership

The mission of ISA as the global society for instrumentation, systems, and automation is to:

- Maximize the effectiveness of ISA members and other practitioners and organizations worldwide to advance and apply the science, technology, and allied arts of instrumentation, systems, and automation in all industries and applications.

- Identify and promote emerging technologies and applications.

- Develop and deliver a wide variety of high-value information products and services to the global community.
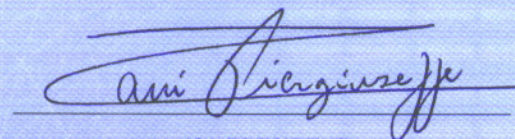

ISA Recognizes

Grant H. Jones
